Subject: Anaconda Copper Mine Site - MOA btw NRD Trustees and ARC

Robert and Steve – As outside counsel for Atlantic Richfield Company, I am sending this email to confirm Atlantic Richfield's approval of the version of the "Memorandum of Agreement Between Atlantic Richfield Company and the NRD Trustees for Anaconda Mine Site, Lyon County, Nevada" ("tolling agreement") that we received from representatives for the Yerington Paiute Tribe on October 20, 2017. A copy of that version of the tolling agreement is attached here. We previously sent written notice of Atlantic Richfield's approval to NDEP on November 8, 2017. Atlantic Richfield is prepared to sign the tolling agreement concurrently with execution of the Deferral Agreement between NDEP and EPA, the Interim Administrative Order on Consent between NDEP and Atlantic Richfield, and other deferral-related agreements, which is expected to occur in the next few weeks. I suggest that one of you or another representative of the Trustee Council circulate a final executable pdf version of the tolling agreement for all parties to sign.

Let me know if you have any related questions.
